Pres. John M. Thomas,
Middlebury, Vt.

My dear Pres. Thomas;

I have just received here
your letter of May 15th with the enclosed letter
of Governor Mead. I congratulate you heartily on
this fine gift which will be a beautiful memorial
and a most needed and welcome addition to our
buildings. If I knew his address I would write
Governor Mead a letter of thanks. His most
interesting letter with its details of early
history should be framed and hung in the chapel -
and also put in the box of the corner stone.

With renewed congratulations,

Yours truly,

M. Allen Starr
